# THE COUSHATTA

INTRODUCING . . . TOMMY HAWK

For the first time in the history of The Coushatta the staff would like to introduce Tommy Hawk.

Tommy will be the symbol of school life of this 1956 edition of The Coushatta.

As you turn the pages of this yearbook, you will get to know Tommy better. He will guide you through the various activities of the school.

Tommy invites you to enjoy each page and relive the fun, fellowship, and achievements, that made up this year at Bonham High School.

This book is far from perfection, but if it affords you some pleasure and happy memories, we will have accomplished our purpose . . .

## 13-AA DISTRICT CHAMPIONS

The Bonham Warriors lived up to their name this year as they galloped through football season with all the fierceness of a war tribe.

Before the season began the sports writers overlooked Bonham, picking them in last place. To their impartial eyes Bonham's chances for the title were very slim. As the season rolled on, however, and the dust cleared after the tension packed finish the Warriors were found mounting the throne, supreme in CLASS 13-AA.

The crushing victory over Honey Grove at the first game set the Warriors in motion. Nocona's blow of defeat was only a thorn in the side and spurred them to down Grand Saline in a driving rain.

Conference play began with bringing in the top score over Mt. Pleasant. In the weeks that followed Bonham topped their other district opponents, Pittsburg, Sulphur Springs, Commerce, and Gilmer one by one. The decisive victory over Mt. Vernon assured the Warriors of the title spot, and they ended the district play with a perfect record by defeating Winnsboro.

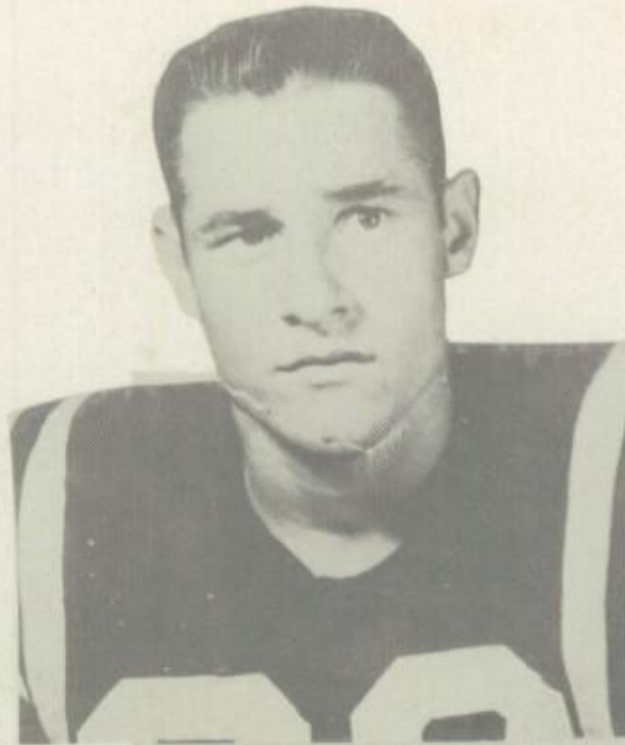

The Warriors, for the first time in twenty years, struck the top and emerged DISTRICT 13-AA CHAMPIONS with a 9-1 season record.

## District 13-AA Gridiron

MT. VERNON, Nov. 12 (Spl.) — The Bonham Pirates Warriors ended a 20-year drought on the gridiron Friday night as they blasted Mt. The hapless Winnsboro Tigers left on their schedule as on-again favorites to win their 7-game district without a loss.

Mt. Vernon, roaring from the second period, was to hold a 14-7 lead at the halfway point. The Pirates, however, scored in eight of the first 10 plays, taking the kickoff. Playing by far their best game of the 1955 season, the Purple Warriors proved themselves to be more than the heavyweights of the Indians and punched their way over to a 7-0 win over the Mustangs on a rain-soaked field. Already wet from a heavy rain, the Mustangs had a hard time getting going. The Purple Warriors, on the other hand, were in perfect form. They started with a 5-yard return of a kickoff and scored in the first quarter. The game was a defensive struggle, with both teams having few scoring opportunities. The Purple Warriors' defense was particularly strong, holding the Mustangs to a field goal in the second quarter. The game ended with a 7-0 victory for the Purple Warriors.

Hooks moved the ball to the 17-yard line and Bonham's only pass from Childress to Hooks was good for 13 yards and a first down on the 4-yard line. Bonham got a 5-yard penalty and Smith barged into right tackle, fumbled and Billy Dodson pounced on the ball in the end zone for the score and Moore added his fourth extra point of the night.

Mt. Vernon scored its final touchdown late in the fourth quarter when Molton went over from the foot out on a quarterback's pass. He passed to Bryant for the point.

The Purple Warriors won with the winner of the FFA title in the bi-district.
